# UNREFINED SUGARS

Industrial uses:

[Click for QUOTE](#)

## Panela Sugar (Colombia)

Ingredient: Organic Panela Sugar | Harvest: 2020 | Bags: 25 kg | MOQ: 1-5 MT

## Coconut Sugar (Indonesia)

Ingredient: Organic Coconut Sugar | Harvest: 2020 | Bags: 25 kg | MOQ: 10-20 MT

**FUN FACT:** Our Organic Panela Sugar is made in small batches by families in an artisan way. The sugarcane is manually processed into Panela in “trapiches” in the middle of the Colombian jungle.

“Producing Panela in an artisan way creates a sustainable business model that gives back to communities and benefits the ecosystem.”

**Frank Arrigazzi**  
**Founder**

### OUR ORGANIC GLUTEN-FREE FLOURS

Our Gluten-free Flours are produced on small, sustainable, cooperative owned farms and stone-ground or made using traditional milling methods by farmers from all over the world.

The Gluten-free category has undergone a shift in recent years. Before they were seen as specialized or niche. Today, they are mainstream products.
